

SCIENCE CAMP

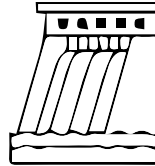

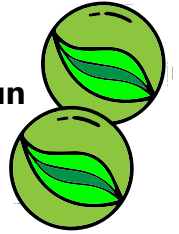

BRICKS WEEK

WELCOME!

Grab that big box of bricks and get ready for a whole new set of fun challenges! Check out our hands-on science, math, and literacy activities all with a brick theme!

MARBLE RUN

It is so fun to build a bricks marble run and it is a perfect example of a STEM activity.

BUILD A DAM

Kick-off your brick building ideas with an awesome activity building dams and exploring the flow of water!

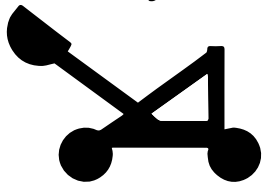

VOLCANO

This is the perfect STEM experiment for hands-on learning that will keep your kids busy anytime.

ZIP LINE

This zip line building idea below is truly the perfect way for kids to look at ordinary items in new ways.

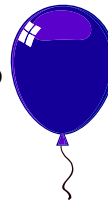

CATAPULT

This is fun homemade catapult just about everyone will want to be able to make!

BALLOON CAR

Brick building is so entertaining and this easy to make balloon car is a perfect example of how wonderful brick play is for kids.

EXTRAS

CRAYONS

Do you love minifigs and bricks? Then you have to make these homemade crayons!

STAMPING ART

Why not gather your favorite brick pieces and create some fun artwork?
