

LEGO CHALLENGE

LEGO SELF PORTRAIT

CAN YOU BUILD A SELF PORTRAIT WITH LEGO?

In this challenge, you will try and build your own face using LEGO bricks and accessories!

Supplies: LEGO blocks, background pieces, accessories (circles, wheels, lights, windows, etc) Anything goes!

Start by sketching some ideas on our LEGO grid template.

Time Constraint: 30 minutes (or more if time allows)

Ideas: What color do you want for the eyes? What shape could you use for the mouth? Which block would you like to use for the nose? How many accessory pieces can you work into your design?

Extend the challenge:

Make the challenge into a race!

Who can make their face the fastest?
