

# Constellations

A deep space photograph of a starry night sky. The background is a dense field of stars of various colors, including white, yellow, and blue. A large, diffuse purple nebula is visible in the lower-left and central regions. The word "Constellations" is written in a white, cursive font at the top of the image.

Lyra

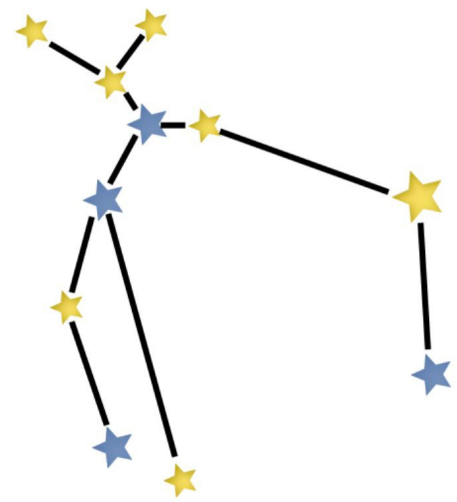

The Charioteer

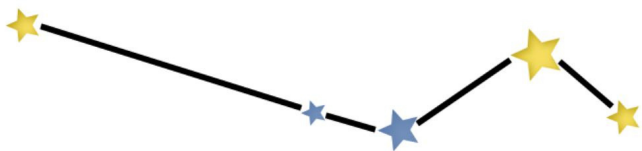

Auriga

The Great Dog

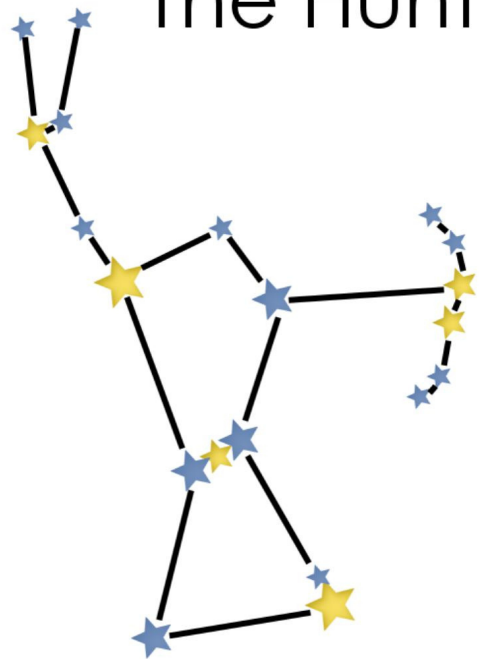

Canis Major

The Dove

Columba

The Hunter

Orion

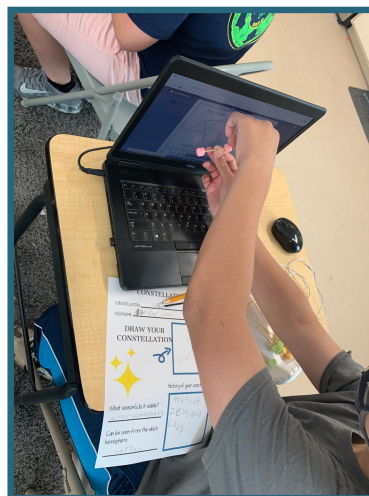

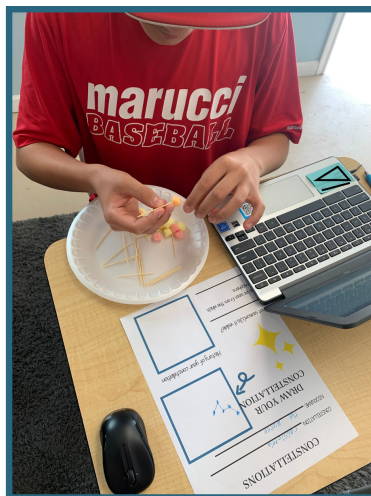

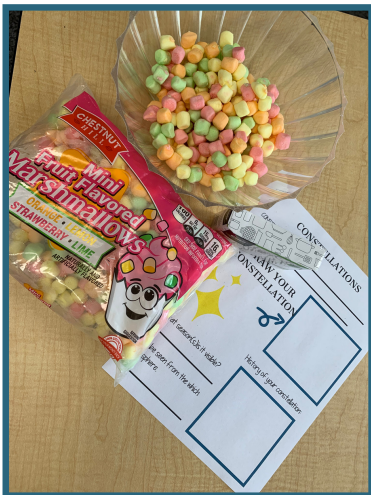

# Marshmallow Constellations

Step 1: Start by explaining what stars and constellations are or watch the video. A brief hook-lesson is always key.

Step 2: A black piece of construction paper is a great backdrop, but it's unnecessary.

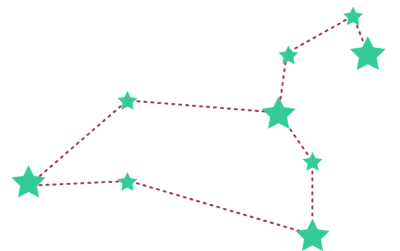

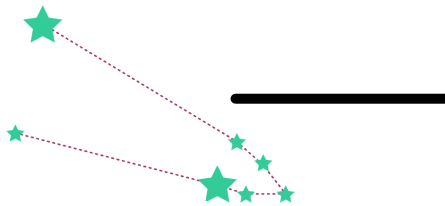

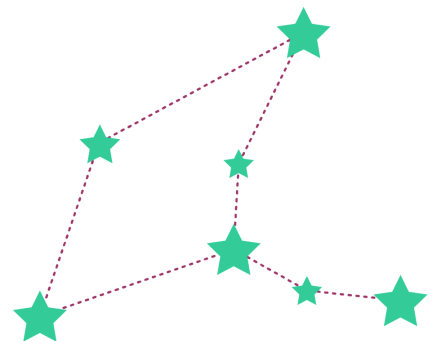

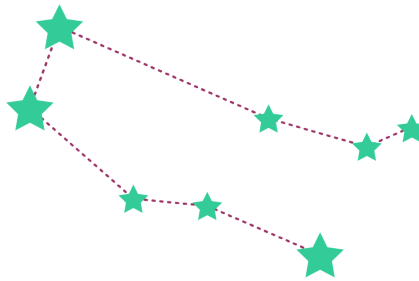

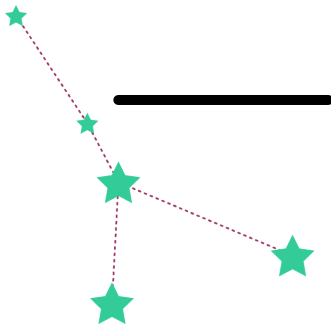

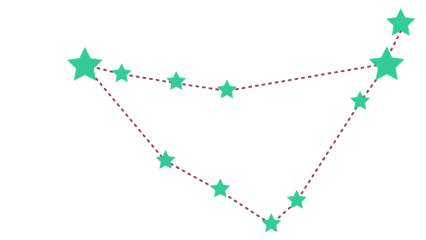

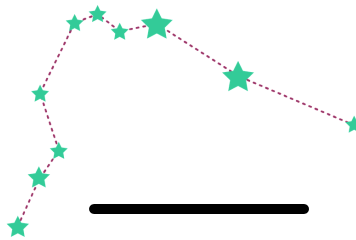

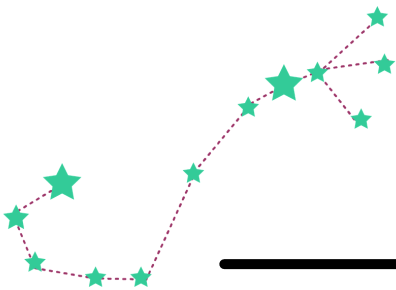

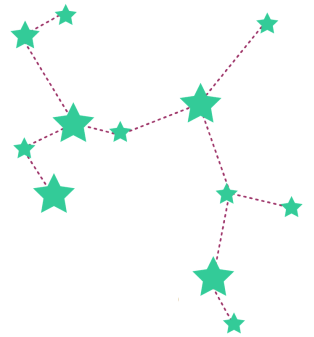

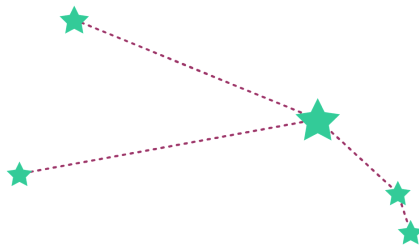

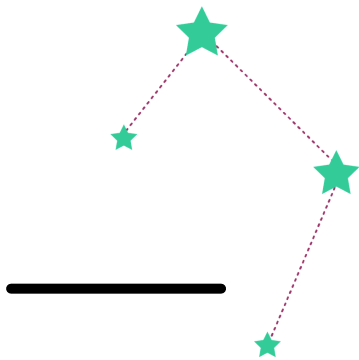

Step 3: If you are working with little kids, it might be best to draw out the constellation on the construction paper.

Step 4: Use marshmallows and toothpicks to make a model of a constellation.
