

QUESTIONS FOR REFLECTION

Use these questions for reflection with your kids after they have completed the STEM challenge to encourage discussion of results and critical thinking.

1. What were some of the challenges you discovered along the way?

2. What worked well and what did not work well?

3. What part of your model or prototype do you really like? Explain why.

4. What part of your model or prototype needs improvement? Explain why.

5. What other materials would you like to use if you could do this challenge again?

6. What would you do differently next time?

7. What parts of your model or prototype are similar to the real world version?
